

Autheo Labs Terms of Use

Effective Date: April 4, 2026

Version 1.0

IMPORTANT: PLEASE READ THESE TERMS **CAREFULLY** BEFORE ACCESSING OR USING ANY AUTHEO LABS PROTOTYPE, CODE, TOOL, BRIDGE, INTEGRATION, OR EXPERIMENTAL FEATURE.

By accessing, downloading, running, testing, or otherwise interacting with any Autheo Labs material (collectively, the “Labs Materials”), you acknowledge that you have read, understood, and agree to be bound by these Terms of Use.

Your acceptance is recorded on-chain for immutable proof. When you accept these Terms, a cryptographic hash of your acceptance (including these Terms, your wallet address or identifier, timestamp, and a unique acceptance ID) will be submitted to the Autheo blockchain. The transaction hash and block ID become permanent, publicly verifiable proof that you accepted these Terms. This on-chain record is binding and cannot be disputed.

1 Nature of Autheo Labs Materials

Autheo Labs is an experimental program operated by Launch Legends LLC / Autheo. All Labs Materials are **pre-release, experimental prototypes**. They are provided solely for testing, feedback, and research purposes.

You understand and agree that Labs Materials:

- May contain bugs, security vulnerabilities, critical flaws, or other defects.
- May be unstable, insecure, or fail at any time.
- Are **not** audited, production-ready, or intended for live funds or real-world use.
- May be modified, paused, or **terminated at any time without notice** and without liability to Autheo.

2 No Warranty – “AS IS” and “AS AVAILABLE”

ALL LABS MATERIALS ARE PROVIDED ON A STRICTLY “AS IS” AND “AS AVAILABLE” BASIS. AUTHEO, LAUNCH LEGENDS LLC, ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, SECURITY, ACCURACY, OR UNINTERRUPTED OPERATION.

Autheo makes **no representation or warranty** that the Labs Materials are secure, free of viruses, free of exploits, or suitable for any purpose. You assume **all risk** of loss, damage, or liability arising from your use of any Labs Material.

3 Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL AUTHEO, LAUNCH LEGENDS LLC, OR ANY OF THEIR AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, OR SUPPLIERS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, LOSS OF FUNDS, LOSS OF DATA, OR ANY OTHER DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THESE TERMS OR YOUR USE OF ANY LABS MATERIALS, EVEN IF AUTHEO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Your sole and exclusive remedy is to stop using the Labs Materials.

4 Termination

Autheo may terminate your access to any or all Labs Materials at any time, for any reason or no reason, with or without notice. Upon termination, you must immediately cease all use and delete any copies in your possession.

5 No Financial or Investment Advice

Labs Materials are not an offer to sell or solicit any investment. No Labs prototype constitutes financial, legal, tax, or investment advice.

6 Governing Law and Dispute Resolution

These Terms are governed by the laws of the State of Wyoming, without regard to conflict of laws principles. Any dispute arising out of or relating to these Terms shall be resolved exclusively by binding arbitration in Cheyenne, Wyoming, under the rules of the American Arbitration Association. The prevailing party shall be entitled to recover its reasonable attorneys' fees and costs.

7 Miscellaneous

- These Terms constitute the entire agreement between you and Autheo regarding the Labs Materials.
- If any provision is held invalid, the remainder remains in full force.
- Autheo may update these Terms at any time; continued use after changes constitutes acceptance.
- You may not assign these Terms without Autheo's prior written consent.

BY CLICKING "I ACCEPT", SUBMITTING THE ON-CHAIN ACKNOWLEDGMENT TRANSACTION, OR OTHERWISE USING ANY AUTHEO LABS MATERIAL, YOU IRREVOCABLY AGREE TO THESE TERMS AND ACKNOWLEDGE THAT YOUR ACCEPTANCE HAS BEEN RECORDED ON-CHAIN WITH A VERIFIABLE HASH AND BLOCK ID.

On-Chain Acknowledgment Process (Technical Implementation) When a user clicks “I Accept”:

1. The frontend generates a cryptographic hash of the current Terms + user wallet address + timestamp.
2. A lightweight transaction is submitted to the Autheo quantum mesh (or a designated public chain) containing only that hash.
3. The transaction hash and block ID are displayed to the user and stored locally for their records.
4. This creates permanent, publicly verifiable proof of acceptance.

This on-chain record is designed to be 100% immutable and auditable.
